Re: Required Physical Exam

Dear Student-Athlete:

In an effort to provide you with safest possible athletic experience, the NWAC and Walla Walla Community College have established a policy requiring that a physical examination be obtained prior to your participation in sports. In order to comply with this regulation, we are sending you a physical examination form to be completed by you and your physician. **This form must be on file in the Athletic Director's office prior to any practice or game situation.** Pages one through four are to be completed by you and your parents before visiting the doctor. Your physician should complete pages five and six. **The physical exam should be completed after July 1 and prior to the first practice for your sport.**

We see this as a positive step forward in your health care at WWCC. Please feel free to contact me if you have any questions (509) 527-4312, or our athletic secretary at (509) 527-4306. **Remember, you will not be allowed to practice or play until this form is on file in the Athletic Director's office.**

All rodeo athletes turning out are assessed an athletic fee of $100. All other athletes turning out for a sport at WWCC are assessed an athletic fee of $25. This fee will be assessed when you register for classes winter quarter. This fee assists each program with accident insurance costs and expenses needed to run the program.

We look forward to seeing you on campus in the fall.

Sincerely,

Jeff Reinland

Jeff Reinland
Athletic Director
